The Honorable Larry Kissell  
United States House of Representatives  
Washington, DC 20150

July 7, 2010

Dear Representative Kissell,

On behalf of the Colon Cancer Alliance (CCA), I'm writing to inform you that our organization would like to offer its formal endorsement of HR 4662, the Lymphedema Diagnosis and Treatment Cost Saving Act of 2010.

The CCA, a DC-based non-profit organization, has been working since 1999 to eliminate colon cancer by increasing screening, survivorship and research. While our organization is specifically devoted to colon and rectal cancers, we recognize that all types of cancer and cancer-related illnesses are an immediate and pressing domestic priority to the American people in the present age. As such, we are proud to support legislation that increases the quality of care, education, and treatment of patients suffering from all types of cancer and cancer-related illnesses.

We would like to thank you for your efforts in the fight against cancer and cancer-related illnesses through your sponsorship of HR 4662.

Yours sincerely,
